This answer key is a separate resource. Publishing the question paper does not publish this document.

1. Reading response

Example: Mira checked whether the seed had enough water to grow. Accept another clear response supported by the passage.

2. Subject and verb

Correct word: are. The subject refers to two birds.

3. Describing words

The describing words are bright and yellow.

4. Short paragraph

Look for four connected sentences and a clear example.
